

Experis Academy Consultant Upskilling Program

Please see the following program eligibility and ineligibility guidelines:

Eligible Guidelines:

- Experis Consultants and Billable Experts, active on assignment in the United States except as noted below.
- Each eligible participant can select access to one curated channel to upskill that is distinct from the role they are in. (For example, a Cybersecurity Analyst cannot enroll in the Cybersecurity upskilling channel).
- Eligibility verification is required.

Ineligible Guidelines:

- Sub-contractor consultants.
- Residents of, or persons at a worksite or via an Experis branch in California or Puerto Rico.
- Franchise locations.
- Participants can only enroll in one upskilling channel at a time.

Please note:

This is a voluntary program available at no cost to qualifying Experis consultants. Participants must have access to a computer and internet; these items will not be provided or reimbursed by Experis. Time spent in connection with this voluntary program is not work time and will not be paid. There is no guarantee of employment in the given subject field, pay increase or any job guarantee provided as part of completing this program. Experis reserves the right to change the terms and conditions of the program at any time.
